VB WINTER COCKTAILS

CCBS \$15

Trader Vic's white chocolate liqueur, peppermint schnapps, Drake's organic/gluten free vodka and a dash of cream.

If pumpkin spice is the ubiquitous harbinger of fall, then candy canes mark the coming of winter. Minty, chocolatey, martini goodness.

**Make it a CCCCBS (chocolate covered candy cane BS!)*

VB POINSETTIA \$13

Invocatio Gin mixed with housemade cranberry syrup & Arancello blood orange liqueur, topped with prosecco. Served on the rocks with sugared cranberries & rosemary garnish.

Our take on a traditional Poinsettia cocktail with some added VB flair!

AN AMERICANO IN MEXICO \$12

Yola Oaxacan Mezcal mixed with Cocchi Americano Bianco, a squeeze of lemon then topped with tonic & a twist.

It may seem like forever away, but we figured we would bring some liquid summer sunshine to your thirsty palate! A lil smoky campfire note from the Mezcal and a bright citrusy tang make this a refreshing and chuggable drink reminiscent of beach days ahead...

MAPLE BOURBON HAVE IT YOUR WAY...MOSTLY \$17

Filibuster Dual Cask Straight Bourbon infused with Organic Vermont Dark Maple Syrup. Make it a classic Old Fashion with muddled fresh orange and Luxardo Marachino Cherries or make it a Manhattan.

Or Whatevs.
